

LIMITED PRODUCT WARRANTY

The Ginlong Technologies Co., Ltd. The Limited Warranty under this document is available on and from May 1, 2024 ("Warranty Validation Date"). Unless otherwise agreed in writing, the Limited Warranty under this document is not applicable to any Products sold prior to the Warranty Validation Date. D. Limited Warranty Claim Procedure

To make a Claim, the Claimant shall promptly notify Ginlong upon detection that the Products are non-conforming or defective. To determine if the Product is covered by this Limited Warranty, the Claimant shall notify Ginlong's service department in writing of the issue. Such notice shall include:

1. Detailed information about the defect;
2. Completed Warranty Claim Form, which can be obtained from a Solis Service Agent via the Solis website ;

After receiving notice from the Claimant, Ginlong will determine whether or not the reported defect is eligible for coverage under the Limited Warranty. If Ginlong determines, in its sole discretion, that the reported defect is not eligible, Ginlong will notify the Claimant accordingly and will explain the reason why such coverage is not available. See Warranty Exclusions in Section E, below, for details.

Note that the Product label must be completely undamaged and legible and properly attached to the Product. If the aforementioned requirements are not fully met, Ginlong has no obligations under this Limited Warranty.

If all of the requirements herein are met and the Product is eligible for coverage under the Limited Warranty, Ginlong shall, in its sole discretion:

1. Provide replacement Product(s); or
2. Instruct an accredited service provider to visit the Warranty Holder's location to repair the defects or provide replacement Product(s); or
3. Direct the Warranty Holder to return the Product(s) to Ginlong for repair or replacement.

Ginlong will provide instructions for proper return or disposal of the defective Product. Any replacement provided by Ginlong may be, at Ginlong's sole discretion, new or factory refurbished. Any replacement provided by Ginlong will be at least functionally equivalent in feature, function, and compatibility to the Product. A replacement may have cosmetic defects that have no influence on energy production or safety compliance.

Ginlong may repair or replace faulty parts at its discretion. If the Products or any parts are replaced by Ginlong under this Limited Warranty, all of the rights, title and interests in the returned Products/parts shall vest in Ginlong upon replacement.

The Warranty Holder must return the Products/parts in the original packaging or equivalent. If the replaced Products/parts are not received by Ginlong within thirty (30) days from the date the Warranty Holder receives the replacement, the Warranty Holder will be charged for the Products/parts at the current price for new Products/parts.

Ginlong may, in its sole discretion, elect to ship replacement Products/parts either prior to or after receipt of the Product, or after prepayment of the value of the replacement Product and delivery costs.

No claim for compensation may be made for any loss of profit or use (including energy that has not been fed into the grid, energy that has not been used for self-consumption, etc.). In no event, whether in contract, tort, or otherwise, shall the maximum compensation for the Warranty Holder's losses caused by a Product exceed the amount paid by the Customer for the purchase of the Products.

Ginlong shall have no obligation to render on-site replacement services in locations where Ginlong, in its sole discretion, deems the location or circumstances too risky to render such services.

If any Claim made pursuant to this Limited Warranty is determined to be unfounded (i.e. the returned Product is not faulty), Ginlong will charge the Warranty Holder for all costs incurred, including but not limited to labour, travel, and delivery to and from the Warranty Holder.

Ginlong will notify the Claimant of any costs to be borne by the Warranty Holder prior to repair/replacement of the Product(s). Such the costs must be paid in advance. If the Warranty Holder declines to pay such costs, Ginlong reserves the right to withhold repair/replacement services.

Provided the Warranty Holder has been trained by Ginlong to perform an assembly replacement, Ginlong reserves the right to send an assembly in place of a replacement.
